

Event 22: Jonathan's Faith

The Philistines set up a major military camp at Michmash. The three blue arrows represent the movements of three Philistine divisions in order to control the area's routes. And the blue dot is the outpost, serving as an early warning system for the main camp at Michmash. Jonathan crossed the Suweinit Canyon, climbed up the other side, and overcame the Philistine outpost. This event ended with the Philistines retreating to the Central Benjamin Plateau, along the Beth-horon Ridge and down the Aijalon Valley.
